Respected Sir,

I, Ramesh N. Solanki founder of Hindu IT Cell, Social Worker and Hindu Activist, staying at the above address would like to bring to your kind notice that

We want to draw your attention towards an anti-Hindu film named 'Annapoorani', which translates to Goddess of Food. The Film is available on Netflix and produced by Zee Studios, Trident Arts & Naad Studios. At a time when the whole world is rejoicing that the Shri Ram Mandir Pran Pratishtha will happen on 22nd Jan, this film demeans our Prabhu Shri Ram and is intentionally released to hurt Hindu sentiments. The details of few scenes are listed below:

1. Daughter of a Temple Priest offers Namaz wearing a Hijab, before making Biryani in the last scene of the film.
2. The film promotes Love Jihad. The actress's friend Farhaan, brainwash the actress to cut meat because he says Bhagwan Shri Ram and Maa Sita also ate meat.
3. Actress doesn't go to the Temple but goes to Farhan's place for Iftaari.

4. Visuals of the girl's father doing Sandhya and grandmother doing Mala are intercut with their daughter eating & consuming meat.

5. The actress's father is a temple priest, making Bhog for Bhagwan Vishnu since 7 generations but his daughter is shown to cook meat, fall in love with Muslim, goes for Ramzan Iftaar & offers Namaz.

A devout Hindu's daughter, offering Namaz to cook Biryani, and is supported by Farhaan while quoting that Shri Ram was a meat eater, is done with the sole intent to demean Hindus and Bhagwan Shri Ram.

This, FIR be registered against
